

The Ballpark Podcast Extra Innings: Russian Hackers, Trolls and #DemocracyRIP: an event with Professor Kathleen Jamieson

On the 27th of February 2020, the LSE US Centre hosted **Professor Kathleen Jamieson** for the event Russian Hackers, Trolls and [#DemocracyRIP](#). In this lecture, Professor Jamieson brought together what is known about the impact of the Russian interventions in the 2016 US presidential election, outlined the contours of the [#DemocracyRIP](#) Russian plans to undercut the presidency of Hillary Clinton, and asked what's next and what can we do about it.

Professor Kathleen Jamieson is the Elizabeth Ware Packard Professor at the Annenberg School for Communication of the University of Pennsylvania and Director of its Annenberg Public Policy Center. She is also the author of [Cyberwar: How Russian Hackers and Trolls Helped Elect a President – What We Don't, Can't, and Do Know](#).
