Hydra @ LSE: Where Next?
Neil Stewart, Digital Library Manager

Policy & organisational
- New developer post
- Process review
- Embedding the Digital Library’s work across the Library
- User analytics: who, why, how?
- Greater Hydra community engagement- giving something back! E.g. new page-turner application

Technology
- Consolidation: updating our Hydra codebase; better ingest tools; preservation & access repositories link-up
  - Blacklight at last (?), then Spotlight (??)

Content
- Born digital collection: Women’s Parliamentary Radio archive
- LSE Public Lectures
- Digitisation for Exhibition Space- joined-up thinking!
- Web presence & UX review
