London is home to over a million citizens of another EU country. The City is Europe's biggest financial centre. Polls suggest Londoners will vote to remain in the EU, though outgoing mayor Boris Johnson is campaigning to leave. Could London thrive outside the EU? How much has London gained from Europe – and Europe gained from London? On Friday 29 April LSE BrexitVote hosted a public discussion on the issue. The panel included Lib Dem Europe spokesperson **Baroness Ludford**, **Ben Judah** (author of *This is London: Life and Death in the World City*), **Christopher Bickerton** and expert in European politics **Julie Smith** in a discussion chaired by **Prof Tony Travers**.
