

## Nigel Dodd grilled by Conor Gearty on the social life of money

Nigel Dodd, Professor of Sociology and teacher in the Department of International Development, is the latest LSE academic to undergo a 'Gearty Grilling', a weekly series of video debates from LSE's Institute of Public Affairs (IPA) in which Conor Gearty (Director of the IPA and Professor of Human Rights Law) subjects academics to a five-minute grilling.

See Professor Dodd discuss the significance of money in society [here](#).
