

# Swedish Cartoon/Sculpture Row

---

 [blogs.lse.ac.uk/polis/2007/09/11/swedish-cartoonsculpture-row/](https://blogs.lse.ac.uk/polis/2007/09/11/swedish-cartoonsculpture-row/)

2007-9-11

Why is it always the stupid cases that end up testing freedom of expression values? After the Danish Cartoon Controversy we now have the Swedish Roundabout Dog Statue Row (I kid you not). Read about it [here](#). (By the way, it's amazing how much briefer posts become when you have broken your thumb and have your hand in a plaster cast. Someone tell Steve McClaren I am not available for selection after all...).
