

Polis – The end of paper?

 blogs.lse.ac.uk/polis/2007/08/10/the-end-of-paper/

2007-8-10

A quick interruption of the student guest blogs to point you to [this](#) extraordinary demonstration of e-paper – a flexible ultra thin screen that looks like the best version yet. But can you wrap chips in it? Well, only silicon ones...

Thanks to [Cyberjournalist](#) for that.
