LSE’s Website Improvement Programme (WIP)

Five workstreams

- Creative development
- User experience
- Information architecture, functionality, taxonomy & search

*****Can the Library help?******

- Content strategy & governance
- Technical implementation
- Training & support
If you have knowledge of:

• the content
• or the metadata
• or an understanding of classification

you will have expertise to offer to taxonomy work in your institution/workplace.
TIP 1

Explaining your limitations clarifies expectations for the team you’re working with, and doesn’t stop you having a ‘can-do’ attitude.

Library worked to create:

* Resource types
* Departments & Institutes
* Research Centres & Groups
* Subjects
* Industry classifications
* Funders
* Research Impact terms
* Countries
TIP 2

Don’t be afraid to say if you’re confused or unsure

Face to face meetings are necessary –

particularly so if you’re at all unclear on stakeholder requirements!
TIP 3

Learn from mistakes

Engage with international standards where appropriate
Facing the research challenges of tomorrow

But ...

- When was it written?
- Where was it published?
- Can I access it?
